Please contact the reception team on 01482 335205 if you would like to book an appointment and require any further information or advice.

At the consultation treatment will be discussed and a treatment plan printed for your information. A signed copy will be kept by the practice.

To avoid unnecessary costs or inefficiency, fees are collected before each treatment plan has been completed, with the fees payable as treatment progresses, with the full balance due before the final appointment.

We request at least 48 hours- notice if you need to cancel an appointment. A fee may be charged for missed appointments or short notice cancellations.

Thank you.
